IN THIS ISSUE:
Kindergarten Recycling
Lunch Survey

Message from the Director

All of our students will be participating in the mid year NWEA MAP assessments beginning today and will continue until January 22nd. These assessments help us to see student academic growth from the beginning of the year until now. We will be presenting this data to you at our parent/teacher conferences next month.

Mrs. Adamic

Calendar

- | | |
|------------|---|
| January 13 | Snake Show think time reward (during school) |
| January 15 | End of term, half day (school released at 12:30) |
| January 15 | Social Leadership |
| January 18 | Civil Rights Day, No School |
| January 22 | Report cards sent home |

Flyers to view at bottom of newsletter:

Kindergarten Recycling

The kindergarten has begun a recycling program for aluminum cans. If you use any cans, please send them to school and take them to the kindergarten classroom. The kindergarten would greatly appreciate your help!

Lunch Survey

Lunch ordering is administered by the John Hancock Charter School Parent Teacher Organization with permission from the JHCS Board and Administration. The PTO Board and JHCS Administration believe that a healthy lunch is vital for students. The PTO is constantly working to improve lunch service in the face of the unique challenges and limited facilities that are inherent for a small school like JHCS.

Thank you for your support in taking this short survey. Please click on the link below. The results will help us improve the quality of lunch offerings to JHCS students.

Fifth and Sixth Graders can Ski/Board Free!

Skiutah.com is once again offering passes for 5th and 6th graders to experience the “Greatest Snow on Earth” for a minimal processing fee of \$20-\$35.

To apply go to www.skiutah.com, look for the “locals only” tab at the top right

and then for the 5th Grade Passport or 6th Grade Snowpass! Then just wait for the snow!

Lunch Volunteers

Lunch volunteers are needed for Wednesdays from 11:45 to 1:00. You can bring your younger children! Please call April Gunnell at 796-5441 if you can help, or if you can be a substitute lunch helper.

Volunteer Opportunities

Mrs. Call needs help stamping all of the books in the leveled library. The work needs to be done here at school anytime while we are in session. Please call the school if interested.

We are in need of a parent who may be interested in coaching a MATHCOUNTS team as an after school program for our students. Call Mrs. Adamic for more details.

We are in need of donations to help replace the laminate in the girls restroom.

We need a small shelf installed in the 4th grade room.

We have to expand the playground fall zone for the new swing sets. It must be extended all the way to the fence line and to the blacktop. This would be a great Eagle project or a great project for a family to put in all of their volunteer hours. Please contact Mrs. Adamic if you are interested in helping with this project.

Wish List

We are in need of liquid hand soap. We are encouraging students to wash their hands every time they enter the building, before and after lunch and every time

they enter the computer lab. We feel this will help prevent the spread of germs, but we have noticed that we are using a lot of liquid hand soap. Keep an eye for sales.

Paper plates, plastic forks and spoons, and paper towels are needed for the lunchroom.

We need someone to securely anchor one of our portable basketball standards.

We are in need of some small repair to a wall and then painting the repair in the library.

We are always in need of facial tissue, toilet paper, and hand sanitizer.

Parent Liaison

We are happy to announce a new board member. Brian Halladay serves on the Board of Directors as the Parent Liaison. You can reach him at 801-592-4034 or briane33@msn.com.

Newsletter

Please email all newsletter entries to Coral Edwards coral.edwards@gmail.com by Friday for inclusion on the following Monday.
