Message from the Director

I am happy to announce that John Hancock Charter School made \$566.22 from our book fair we held at Barnes and Nobel in December. Not only did we make money for our library, we did not spend any money on renting a facility to hold our concert. I know it was a little painful because it was the first time, however overall it was a success for the school. We will look into improving how we hold the book fair/concert next year, but we feel it is worth trying it one more time.

Thank you to all who supported our efforts!

Mrs. Adamic

Basic Knowledge Test

Congratulations to the students listed below for passing the "Test of Basic Knowledge for Every American Over 9 Years Old" with 100%. We had a great time at lunch together last week at Mimi's Restaurant who donated free dessert for each student. Any 4-8th grade student who would like to take the test can stay after school on the first Friday of each month from 2:00-3:00 p.m. Encourage your student to take the test so we can enjoy a nice lunch together.

Lunch Volunteers

Lunch volunteers are needed for Monday, Tuesday, Wednesday and Thursday from 11:45 to 1:00. You can bring your younger children! This is a great way to get your hours in. Please call April Gunnell at 796-5441 if you can help, or if you can be a substitute lunch helper.

Changes to the Lunch Program

Starting February 1, we will no longer be offering Hogi Yogi (lunchboxers). We will still have pizza available on Wednesdays for \$1.00 a slice, and will also have drinks available during lunch hours for .25. (For more details, please see the flyer at the bottom of the newsletter).

We have placed a time restriction on microwave use because all students will now be bring sack lunches to school. This will increase the demand on the microwaves. Please cook your child's lunch at home and have them warm it up in the microwave. Do not send any item that will require microwaving for longer than 2 minutes.

Thank you for your support.

Robot Challenge

Mr. Hardy will be here this Wednesday, Feb. 3rd after school for those students who will be participating in the UVU Middle School Robot Challenge. This is a wonderful opportunity for students who would like to learn more about programming and who enjoy working together with other students on a project.

Holey Uniforms

The PTO is looking for holey or damaged uniforms to cut up and make something with. If you have any, please contact Julie Knudsen (jannknudsen@gmail.com) or leave them in the box labeled **Damaged Uniforms** on the lunchroom stage. We'll take anything—polos, dress shirts, t-

shirts, pants, shorts, skorts, plaids, all colors...anything your children can't wear to school anymore and you don't want to keep. Thanks for your donations.

Utah Association of Public Charter Schools

As promised I am now on **Twitter!** If you would like to follow me during the legislative session you can follow me at **Utcharterchat**

If you would like to receive more detailed updates you may sign up on our Utah Charter Advocate Network at

- Thank you to Mrs. Shelly for being such a great lunch volunteer!
- Thank you to all who drove last week for the field trips!

Volunteer Opportunities

Mrs. Call needs help stamping all of the books in the leveled library. The work needs to be done here at school anytime while we are in session. Please call the school if interested.

We are in need of a parent who may be interested in coaching a MATHCOUNTS team as an after school program for our students. Call Mrs. Adamic for more details.

We are in need of donations to help replace the laminate in the girls restroom.

We need a small shelf installed in the 4th grade room.

We have to expand the playground fall zone for the new swing sets. It must be extended all the way to the fence line and to the blacktop. This would be a great Eagle project or a great project for a family to put in all of their volunteer hours. Please contact Mrs. Adamic if you are interested in helping with this project.

Wish List

We are in need of liquid hand soap. We are encouraging students to wash their hands every time they enter the building, before and after lunch and every time they enter the computer lab. We feel this will help prevent the spread of germs, but we have noticed that we are using a lot of liquid hand soap. Keep an eye for sales.

We are in need of a microwave for the lunch room.

We would love a table tennis table for P.E. Anyone out there have one they would like to donate?

Paper plates, plastic forks and spoons, and paper towels are needed for the lunchroom.

We need someone to securely anchor one of our portable basketball standards.

We are in need of some small repair to a wall and then painting the repair in the library.

We are always in need of facial tissue, toilet paper, and hand sanitizer.

Lunch Survey

Lunch ordering is administered by the John Hancock Charter School Parent Teacher Organization with permission from the JHCS Board and Administration. The PTO Board and JHCS Administration believe that a healthy lunch is vital for students. The PTO is constantly working to improve

lunch service in the face of the unique challenges and limited facilities that are inherent for a small school like JHCS.

Thank you for your support in taking this short survey. Please click on the link below. The results will help us improve the quality of lunch offerings to JHCS students.

Parent Liaison

We are happy to announce a new board member. Brian Halladay serves on the Board of Directors as the Parent Liaison. You can reach him at 801-592-4034 or briane33@msn.com.

Newsletter

Please email all newsletter entries to Coral Edwards coral.edwards@gmail.com by Friday for inclusion on the following Monday.

Dear parents,

Starting February 1, 2010, the PTO will no longer offer the option to order lunches from LunchBoxers (Hogi Yogi). Unfortunately we have had some difficulties with staffing, facilities, and vendor coordination and we simply can't justify the effort for the small number of LunchBoxers lunches served each day.

If you have ordered meals in February we will work with LunchBoxers to make sure you are not charged, or you receive a refund, for those meals. Please do not place any orders for lunches to be served after the end of January. We will continue to offer pizza on Wednesdays and are exploring other, easy to serve, foods we could offer on one other day of the week in the same way.

The PTO Board strongly believes that lunch is an important part of the school day and truly appreciates your effort as parents .

Sincerely,

The PTO Board of Directors
